Capstone - Introductory Survey

August 29, 2018 9:28 AM EDT

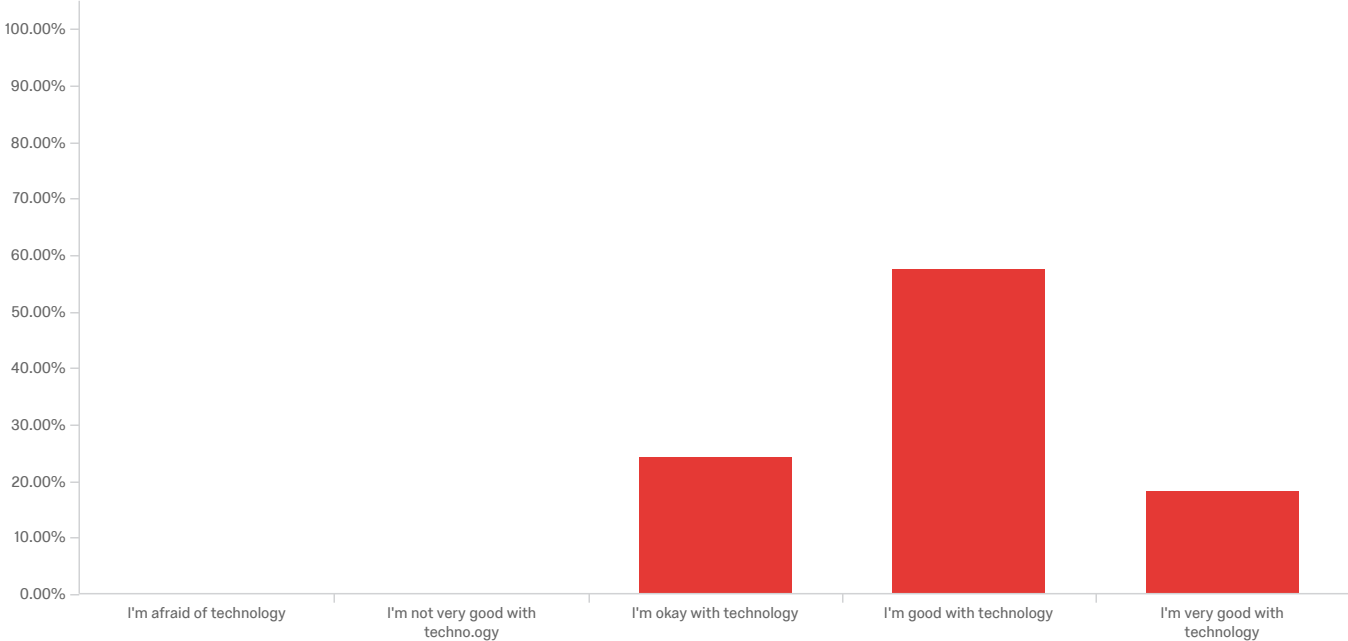

Q6 - Where do you live? (It's helpful to see how geographically diverse our students are.)

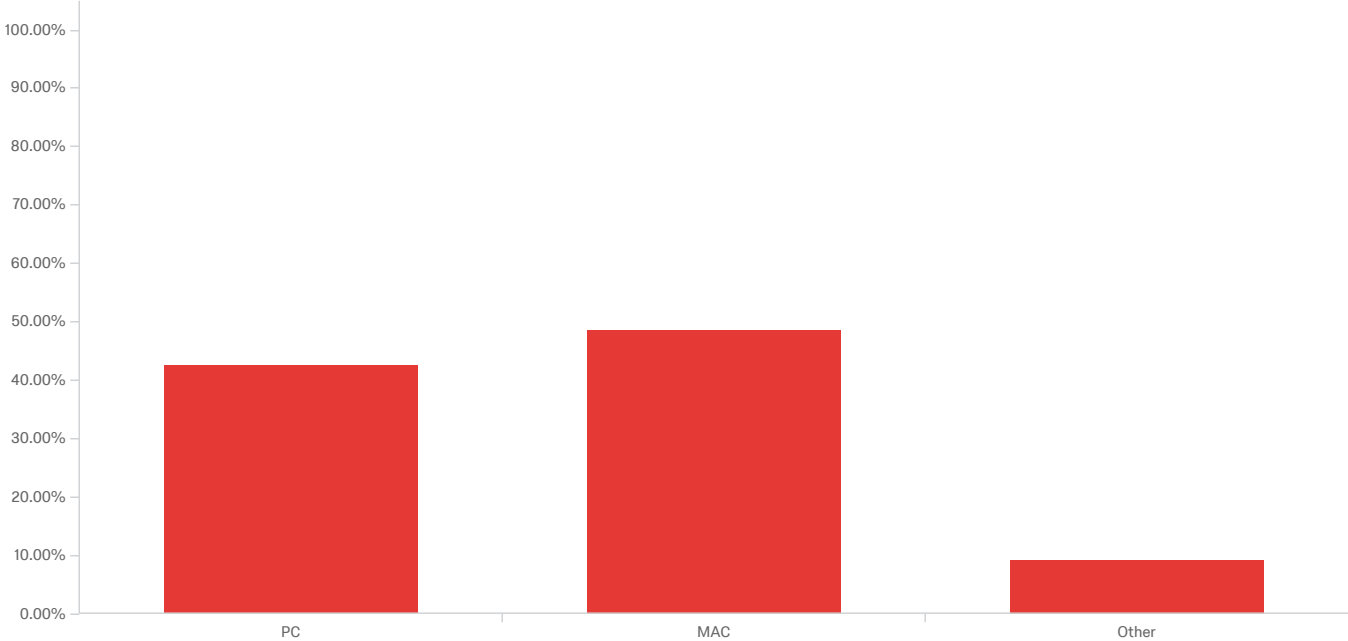

## Q7 - Describe your level of confidence in editing web pages

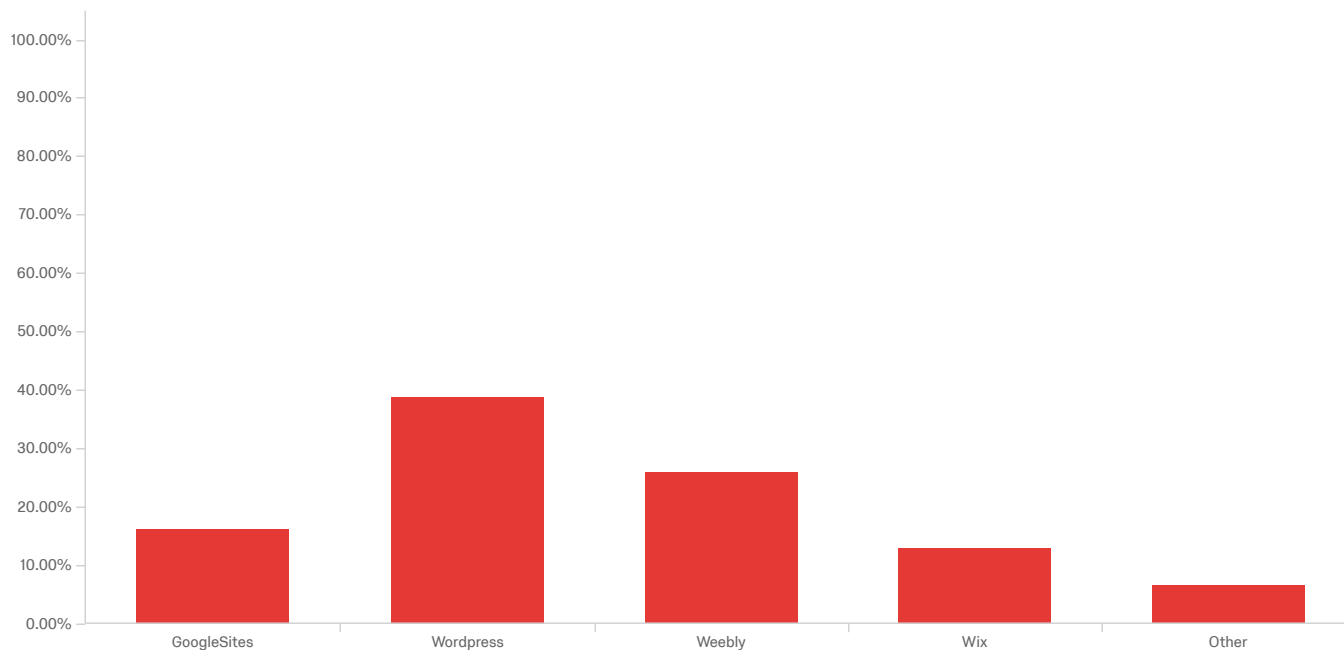

# Q8 - To what extent do you consider yourself to be technology proficient?

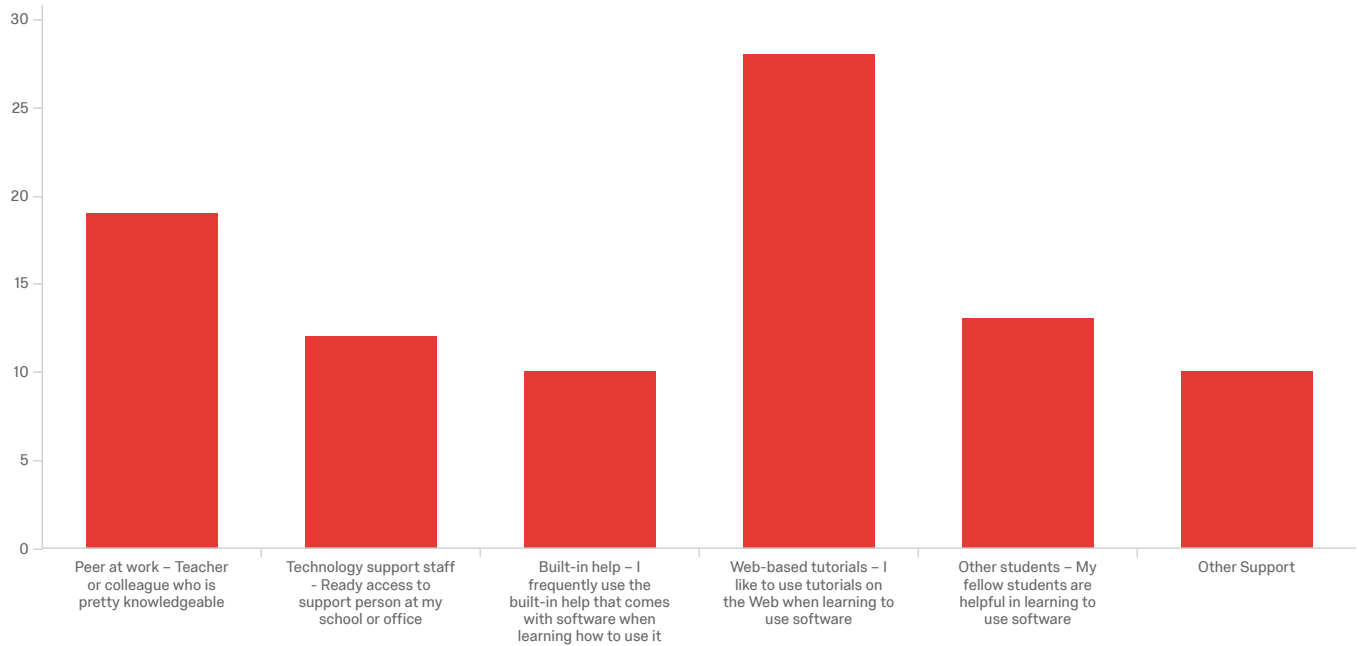

Q9 - What type of computer do you plan to use when making your webpages?

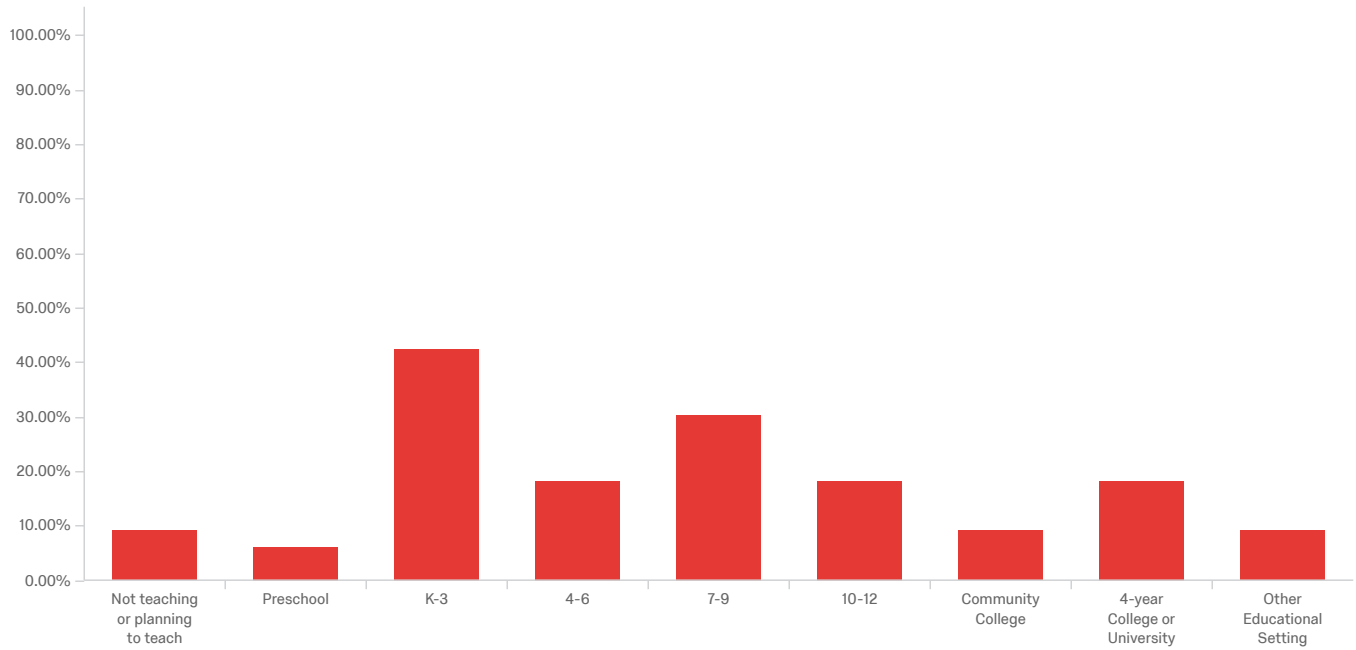

Q10 - We will discuss various choices for the software tools you can use to publish your website. If you are already familiar with publishing on the Web and know what tool you plan to use, please indicate it below. (You can always change your mind.)

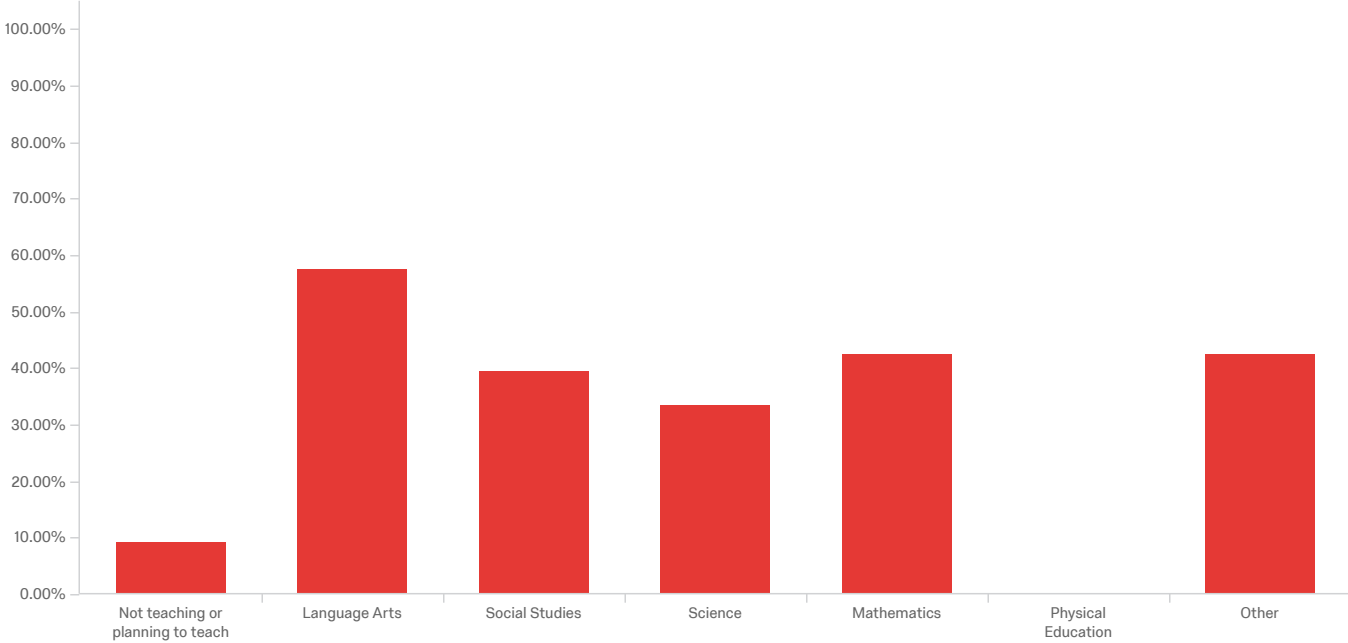

Q11 - Please check all of the sources of support you have for learning to publish your webpages. (This question is partly to find out what support you currently have and partly to get you thinking about how to find support.)

Q12 - What grade level or levels do you teach? Check all that apply. If you are not currently teaching but are planning to teach, check the grade level or levels you would like to teach.

# Q13 - What subject matters do you teach (or plan to teach)?
